Report to 2016 ICSA Annual Meeting San Diego, CA

Each Conference is requested to appoint a representative to the ICSA Afterguard Committee and report that individual's name and contact information to this Chair by July 1, 2016. You may email it (above) or text it to me at 269.998.6353.

The Afterguard web page is a work in progress. Recent discovery is the historical lists of honorees is incorrect. A plan for remedying these lists will be made with work to occur in Fall 2016.

Thanks to an early start and ongoing commitment, a wonderful ICSA Afterguard Championship & PCCSC 75th Anniversary Gala is set to be held in conjunction with the 2016 Spring Championships. With the effort of Danielle Richards and her team, a daylong event of racing in J/22s, CFJ's and possibly offshore boats is planned for Saturday, June 4. An entry fee of \$70 per person includes all costs including the post sailing social event. It is great to see this tradition continued.

It is sought to continue ICSA's tradition at Spring Championships that the organizing committee include its Afterguard regatta at the site and in conjunction with the Championships, and if at all possible, in the fleet(s) being used for the Championships. The best way for the alumni and friends of college sailing to gain awareness of each years' Afterguard Championship is for the date of the Afterguard regatta to be established by each Championships' organizing committee and to include the date and location in the Championships bid to facilitate participation by alumni with extended advanced notice. We have the Afterguard regatta to continue the exchange of knowledge, tradition and sportsmanship between alumni, athletes, and friends of College Sailing. Hosts may contact this Chair for Guidelines to aid in development of this traditionally fun sailing day.

2017 ICSA Afterguard Championship—MCSA is finalizing a Championships bid. The 2017 Afterguard Regatta is in development.

Action sought:

1. Each ICSA Conference shall report a representative to the ICSA Afterguard Chair annually, no later than March 15, in conjunction with the annual reporting date for officers to ICSA. This individual should have an interest in developing the Afterguard and provide guidance. For 2016, these individuals shall be named by July 15.
2. The Afterguard Chair seeks any ideas or suggestions that will advance the goals of the Afterguard and its relationship with the ICSA. Please email or call at your convenience.

ALUMNI REGATTAS

Many teams conduct Alumni regattas. We ask that each Conference Commissioner and Conference Afterguard Coordinator help raise awareness and facilitate posting of the results of all alumni events on the ICSA-Afterguard list and their Conference's list. Results should include all racing scores, complete names of the skippers and crews, each sailor's school and last year of sailing, and current hometown and state. A few photos should be shared. A link to a web page with photos would suffice. Conference Commissioners are asked to communicate this goal to their member schools regularly.

Afterguard Committee

Please post this committee on the ICSA web page. It may aid in filling the committee.
