

2020/2021 Showcase Berth Allotment Review

The PCCSC requests a review of the berth allotment for the Coed Showcase to allow a 2nd PCCSC team to compete.

As it currently stands, the PCCSC has only one berth assigned for the Coed Showcase, a hardship in a conference where any strong team would need to outperform the current #1 ranked team to secure as berth. The PCCSC has a history of consistently competitive 2nd-4th ranked teams and access to the Showcase allows one more of those teams to have premier competition and exposure in the Fall.

We respectfully ask the Intersectional Committee to review berth allocations for the Coed Showcase, effective Fall 2020 or 2021.
