

Report of the Eligibility Committee

January 12, 2013

Park City, Utah

There was one question which was raised since the last meeting. The question was forwarded by Mitch Brindley.

Question: Is a Mexican exchange student eligible to sail. She is enrolled as a full time student at the University from a Mexican College for a period of one year.

Mitch's answer was that there really isn't enough information to answer the question. She would need to comply with PR 12. The ICSA Eligibility Case Book and Guide should be consulted. All questions of Eligibility are answered by the ICSA Eligibility Committee.

No further correspondence was received.
