Norfolk is serviced by two major airports, Norfolk International (ORF), and Newport News / Williamsburg (PHF). Hotels are affordably priced during that time of year. A block of rooms will be reserved at the hotel on campus, (Spring Hill Suites).

Old Dominion University has a long history of providing quality race management for hosted regattas and fostering a memorable championship experience for the competitors. The preferred PRO would be Gary Bodie or KC Fullmer, and the Protest Committee Chair would be Christine Accettella.

Old Dominion University will also be prepared to host the ISSA Championship the weekend before.
