TREASURER'S REPORT

For meeting on May 20, 2019

I remind all conferences of the dues increase approved at the May 2018 meeting.

The increases effective 1/1/2020 are:

\$200 for regular and provisional teams

\$100 for associate teams

The [ICSA billing policy](#) was updated to reflect these increases and was posted on the website.

All conferences are urged to adjust the billings to their conference teams to address this increase.

Respectfully submitted,

Sherri Campbell

ICSA Treasurer
