NATIONALS SCHEDULING & VENUE

We prefer Team Racing happen on a weekend, the dates for the Singlehanded and Match Race Nationals are set by ICSA. Contact Danielle Richards, intersectionals@collegesailing.org for those dates.

Racing Venue Location & Description

We would sail Match Race Nationals in the Severn River, right off the Crown Center in NW or SE breeze and out in the mouth of the river in other directions. We can sail in our matching fleet of 12 2016 Colgate 26 boats. The event will be based out of the Robert Crown Center and Santee Basin.

ADDITIONAL DETAILS

Anything else we should know about your venue or bid that might help the board choose your venue?

We've been hesitant in the past to host this event because we didn't think our Colgates were even enough. After a few years of use, we are very confident that our new fleet is evenly matched and we could host match racing nationals in them. Our facility and resources here at USNA are well suited to hosting this event.
