**Report to ICSA Annual Meeting  
Conference Call Via the Internet, May 30, 2020  
May 15, 2020**

The SARS-CoV-2 virus that causes COVID-19 has caused major disruption to the world at large and specifically to College Sailing and its Afterguard. With the Annual Meeting being held by Internet Conference and Spring 2020 Championships having been canceled, there is no 2020 Afterguard Championship.

Graduating Seniors will be invited to subscribe to the ICSA Afterguard list: [alumni@lists.collegesailing.org](mailto:alumni@lists.collegesailing.org), to maintain connection to the sport and encouraged to find ways to support College Sailing through volunteering and donating in the future.

Societal and governmental guidance will provide the potential for a 2021 Afterguard Championship at 2021 Spring National Championships.

Respectfully submitted,

Gail M. Turluck  
Afterguard Committee Chair  
Afterguard Events Subcommittee Chair (Acting)
