**Report to ICSA Mid-Year Meeting
Conference Call Via the Internet, February 6, 2021**

The COVID-19 pandemic continues to cause great disruption to the world at large and specifically to College Sailing and its Afterguard. There is no 2021 Afterguard Championship planned.

Graduating Seniors will be invited to subscribe to the ICSA Afterguard list: alumni@lists.collegesailing.org, by visiting <http://lists.collegesailing.org/mailman/listinfo/alumni> to maintain connection to the sport and encouraged to find ways to support College Sailing through volunteering and donating in the future.

University administrations, societal and governmental guidance will provide the potential for a 2022 Afterguard Championship at 2022 Spring National Championships.

Respectfully submitted,

Gail M. Turluck
Afterguard Committee Chair
Afterguard Events Subcommittee Chair (Acting)
