**Report to ICSA Mid-Year Meeting
Live in Park City, UT; Online via Zoom
January 15, 2022**

The COVID-19 pandemic continues to cause great disruption to the world at large and to College Sailing and its Afterguard. There is no 2022 Afterguard Championship planned.

Graduating Seniors and friends of college sailig may subscribe to the ICSA Afterguard list: alumni@lists.collegesailing.org, by visiting <http://lists.collegesailing.org/mailman/listinfo/alumni> to maintain connection to the sport and encouraged to find ways to support College Sailing through volunteering and donating in the future.

University administrations, societal and governmental guidance will provide the potential for a 2023 Afterguard Championship at 2023 National Championships, pending championships restructuring being considered.

Respectfully submitted,

Gail M. Turluck
Afterguard Committee Chair
Afterguard Events Subcommittee Chair (Acting)
