

Congratulations on your selection to the ICSA Singlehanded Nationals. We are thrilled to supply up to 20 ILCA charters to your event. The boats have been used 1-4 times and are in great condition. Below you will find a detailed list of what is and is not included in the charter.

Please fill out the online charter form on our website to secure your charter.

<https://zimsailing.com/charter/>. The pricing below is much lower than the pricing shown on the website.

Please note that we will offer a 10% discount on new sails. This offer will not be limited to charterers. This is available to all competitors. We will number the sails per the sail number you include on the form or leave blank. Please place sail orders by 10/29 to ensure delivery to the regatta.

We would prefer to process payment via credit card. However, we realize this may not be possible with all schools. You do not need to insert CC information for the form to be submitted. Where it asks for the name written on the CC, please ask to be billed. We will forward all invoices paid via CC, and invoices for processing to the email on the form.

The event will be staffed by Joe Lark (734-770-0249) and John Colby (347-673-6183). They will have parts on hand for sale onsite. They will not have gear for sale.

Charter includes – \$600 (normally \$1,125 for this package)
