

PCCSC Singlehanded Conference Championship & Women's Pacific Coast Championship

Important Information

1. Singlehanded's will be sailed out of the public ramp by PYSF (See Map)

Every team car and trailer will be given a parking pass when they check in Friday or Saturday morning. If a team needs to drop off anything earlier please have them email me.

2. There is public bathrooms by the ramp but sailors are also welcome at the boathouse to Change or use the bathroom.

3. The sailing venues (See map) will be an outside venue and an inside venue. We will most likely use both venues for all three regattas. We can only use the outside venue when we have a high tide so that's why the switch back and forth. But the outside venue is much bigger but not out in the bay and out of control.

4. The Women's PCC's will be sailed out of our boathouse. Right now there are 10 teams so we will plan on having both z420's and FJ's so both A and B on the water at the same time. We will have a lunch break. Again we will use both inside and outside venues.

5. Laser charters will be available through PYSF contact Molly at obryan.molly@gmail.com
